

## Hi

Thanks for downloading our font!

This is the **demo version** of the Bouquet List handwriting font.

It means that this version **does not** have 70+ pairs of ligatures, swashes, and extras that can make your words looks organic and authentic, just like the natural handwriting.

Please visit this link to get the license and the full version: https://crmrkt.com/a9lJ6N

The full version has these following special features.
